Statement from the Director of the Institute of Czech Literature  
on the Final Report of the Commission No. 12

Prague, 26 February 2016

Dear Sir or Madam,

I would like to thank Commission No. 12 for its willingness to examine the passages called into question and to reassess the Final Report. There is no doubt that the amendments to the text made the revised Final Report even more precise and helpful.

It is with pleasure that I can state that the revised Final Report on the Evaluation of ICL of February 5th, 2016 has been accepted by ICL and ICL Council management without any further objections.

Yours faithfully,

Ing. Pavel Janáček, Ph.D.

Director
